12. Questions

1. There was a question from the membership as to likelihood of when the season would start. Ken Whiteman (DVCA Treasurer and member of DVCA Executive) advised the membership that primarily we were waiting for guidance from Cricket Victoria. Preliminary discussions at the DVCA involved a season that might be a combination of up to three 2 day games and the rest could be one day format for Seniors. Alternatively the season may comprise another season of one day games, starting a bit earlier than normal time and running a bit later into the day form conventional competition times as in the past.
2. Ken also advised that the DVCA were seeking input from a panel involving Senior Shield Captains in order to consult and work collaboratively with them to devise a season format that would be suitable for them and the competition.
